Looks correct.

John Martin did not work on FJ Doyle yesterday (1/2/19).

He will be working 1 hour coordinating with Paige on status of activities today (1/3/19). He will maintain situational awareness via reading the daily report remotely on 1/4/19. He will join Paige on site Saturday (1/5/19) for a few hours and will be the sole OSC on site Sunday (1/6/19). He will maintain situational awareness of site activities reading reports from home Monday and Tuesday and will return to assist with oversight activities Wednesday (1/9/19) - Saturday (1/12).

His excepted time frame is:
1/3-1/12.

Monica,

Please give a quick review of SF excepted employees – note the format has changed per HQ instructions.

I added the new phone and response duty folks for 1/7- 1/13. Deleted Monica since she is covered on R9 list. We will also close out Bella Vista today since the state is leading. I will send notices to Matt Loesel, Jon Rauscher and Phil Turner. I need John Martin's duty period for FJ Doyle site.

David
